Protected Zones and Floor Storage

All directors should devise a rain plan for their own group. It is up to your group if you want to use the protected zones. They will be open throughout the day, rain or shine.

Please see Rain Plan Schedule for assigned time intervals and zones.

Half of the cafeteria will be utilized for Zone A.

The other half of the cafeteria will be utilized as a floor storage area.

Plan ahead if you are going to use the floor storage area. If using floor storage, have your performers place instruments outside after their show, under the EZ-ups, before going back inside to get the floor. Once floor is in the cafeteria, performers need to pick up instruments before next ensemble is done with their show.

Contest Coordinator will facilitate when and where groups can fold their floors.
