

Rain Plan Map

If there is rain, or if the floor folding area is wet, floor folding will happen in Aux Gym.

At conclusion of show, battery will drop off their drums in Gym Lobby and take their floor to the Aux Gym using the route on this map.

After dropping off the floor in the Aux Gym, battery members must go back to remove their equipment from the Gym Lobby.

After removing equipment from Gym Lobby, battery members will go fold floor.

Please be patient as delays are imminent.

All directors should devise a rain plan for their own group. It is up to your group if you want to use the protected zones. They will be open throughout the day, rain or shine

Please see Rain Plan Logistical Schedule for assigned time intervals and zones.

Entering ensemble must stay to their left.
Entering ensemble must leave space for exiting ensemble to carry floor to Aux Gym

Exiting front ensemble must stay to their left.
